**CAUTION - EXTERNAL:**

Good morning,

There is a pending OTSC in the above-captioned case. Judge Altenburg's order has an end date for Discovery of tomorrow. I have everything in my office to submit to the trustee, however I just have to finalize the package. Last night I tested positive for strep throat, so the head of the firm asked that I not come in and risk getting anyone else sick. Therefore, I will not be able to get the package fully completed until I come in the office on Saturday.

I have spoken with the trustee and Mr. Finberg said he has no objection to allowing the discovery submission to be completed on Monday, March 4, 2024. I have cc'ed Mr. Finberg on this email.

Can you please advise if this is acceptable and if Judge Altenburg would require a consent order to that effect?

Thank you,

Richard S. Hoffman, Jr., Esq.
